### TV License Renewal Amendment

Pitkin County is a government entity and conducts no advertising sales. The original application was filed under the assumption that this would classify the licensee as “not applicable” per the Non-Discriminatory Advertising Sales Agreements question below.

### **Non-Discriminatory Advertising Sales Agreements**

\* Commercial licensee certifies that its advertising sales agreements do not discriminate on the basis of race or ethnicity and that all such agreements held by the licensee contain non-discrimination clauses. Noncommercial licensees should select "not applicable."

Pitkin County was notified that this was incorrect by Andrew Manley from the FCC ([Andrew.manley@fcc.gov](mailto:Andrew.manley@fcc.gov)) and that the application should respond “yes”. This amendment serves to rectify this error.
