Adherence to Minimum Operating Schedule

Franklin and Marshall College (“F&M”), the licensee of WFNM(FM), was silent between May 9, 2021 through September 29, 2021 because the Covid-19 pandemic resulted in no on-air talent being available for the station. WFNM was also silent between December 9, 2021 through February 3, 2022 due to the Christmas Break and the Student Center Building where the station is located being closed for repairs, an electrical upgrade and major carpet installation on the first two floors of the Student Center.
