

### **Outreach Efforts**

Since four of the eight stations in the Cumulus-Youngstown station employment unit (“SEU”) are located in the State of Ohio, the preparation of its annual EEO public file report is based on the Ohio renewal deadline. Thus, this SEU will complete its 2022 EEO Public File Report on or before June 1, 2022, and submit a new FCC Form 396 that will include its 2022 EEO Report as well as a complete EEO Outreach Exhibit.
