

MULTIPLE OWNERSHIP STUDY
FCC FORM 301
MINOR CHANGE APPLICATION
KMLD CASPER, WYOMING, CH. 233C1
MT. RUSHMORE BROADCASTING, INC.

The following minor change application for KMLD(FM), Casper, Wyoming, Facility ID 11927, was studied for compliance with 73.3555 of the Commission rules concerning multiple ownership of stations.

The Licensee, Mt. Rushmore Broadcasting, Inc., has an ownership interest in the following stations:

- 1) KASS(FM), Casper, WY, Facility ID 43477
- 2) KQLT(FM), Casper, WY, Facility ID 47878
- 3) KHOC(FM), Casper, WY, Facility ID 15925
- 4) KMLD(FM), Casper, WY, Facility ID 11927
- 5) KVOC(AM), Casper, WY, Facility ID 35861
- 6) KZMX-FM, Hot Springs, SD, Facility ID 46712
- 7) KZMX(AM), Hot Springs, SD, Facility ID 46713
- 8) KFCR(AM), Custer, SD, Facility ID 43913
- 9) KIQZ(FM), Rawlins, WY, Facility ID 46737
- 10) KRAL(AM), Rawlins, WY, Facility ID 46736

Figure 1 attached is a multiple ownership map which shows the predicted 70 dBμ city grade contours for each of the above listed FM stations, and the 5 mv/m daytime contours for each of the AM stations under common ownership. The new proposed facilities of KMLD(FM) will overlap with three other FM stations, KASS, KQLT, and KHOC. It will overlap with one AM station under common ownership, KVOC(AM). All 5 of these stations are located in the Casper, WY radio market.

Figure 2 shows the overlap of at least 18 other AM and FM stations with the proposed KMLD. Under 73.3555, in markets with 15 or more stations, the combination of up to 6 stations is allowed with no more than 4 stations in the same service. Since this application proposes the combination of 4 FM stations and 1 AM station in the Casper, Wyoming market, it would be in compliance with 73.3555.
