

W267CM Rebroadcast Exhibit

Following the modification, and a license to cover to slightly reduce the pattern of W267CM to fit within the WYUP (AM) 25 mile radius, after consummation, Assignee Lightner Communication LLC will use W267CM to rebroadcast the signal of WYUP (AM), Loretto, PA (Facility ID:63425). W267CM will retransmit WYUP's programming as a fill-in service. An exhibit will be filed as part of the W267CM modification to show fill in compliance with WYUP (AM)
