

REASONABLE ASSURANCE EXHIBIT

The transmitter and antenna site will be located on a tower bearing antenna structure registration number 1032521 located near Plains, Kansas. The applicant hereby certifies that it contacted the owner of this tower, Brian Adams of Brian's Industrial Communications, Rural Route #1, Box 87, Kismet, Kansas 67859, and that he has provided "reasonable assurance" of the availability of the proposed site for the applicant's intended purpose. Mr. Adams' telephone number is 620-624-6463 and his e-mail address is: brian@briansindustrial.com.
