

Qualifying Educational Program:

The Commission has previously granted a non-commercial broadcast application to Park Public Radio and found Park Public Radio to be a qualified non-commercial educational entity with a qualifying educational program. That station is Low Power FM Radio Station KPPS-LP, file BNPL-20131112BDA. Park Public Radio will use the station to advance a similar program.

LPFM Divestiture Pledge:

PPR holds an existing LPFM station KPPS-LP. If granted a permit in this window, PPR pledges to divest its LPFM station in accordance with established rules, either requesting cancellation or assignment to a different organization, prior to commencing program test operations.
