The consummation of the sale and purchase of the Station Assets provided for in this Agreement (the “**Closing**”) shall take place on or before the tenth (10th) business day after the date the FCC Consent (defined below) pursuant to the FCC’s initial order; provided, however, that if a petition to deny or other objection is filed against the FCC Application (defined below), then the Closing shall take place on or before the tenth (10th) business day after the date the FCC Consent becomes a Final Order (defined below), in either case assuming the satisfaction or waiver of the other conditions set forth in Articles 6 and 7 below and subject to Section 10.1(d). The date on which the Closing is to occur is referred to herein as the “**Closing Date**.” For purposes of this Agreement, a “**Final Order**” means a decision by the FCC or a court of competent jurisdiction, as modified or supplemented upon reconsideration or review by the FCC or a court of competent jurisdiction, that is no longer subject to reconsideration or review by the FCC or a court of competent jurisdiction because the time periods for seeking such reconsideration or review under applicable law and government regulation have expired without any such request for reconsideration or review having been filed.

1.9 Governmental Consents.

(a) Within five (5) business days of the date of this Agreement, Buyer and Seller shall file an application with the FCC (the “**FCC Application**”) requesting FCC consent to assign the FCC Licenses to Buyer. FCC consent to the FCC Application without any material adverse conditions other than those of general applicability is referred to herein as the “**FCC Consent**.” Buyer and Seller shall diligently prosecute the FCC Application and otherwise use their commercially reasonable efforts to obtain the FCC Consent as soon as possible.

(b) Each party shall diligently take, or cooperate in the taking of, all steps necessary and appropriate to expedite the preparation of the FCC Application and prosecute to a favorable conclusion at the earliest practicable time. Each party will promptly provide the other party with a copy of any and every pleading, order, or other material communication (including e-mails) received or sent which relates to the FCC Application (other than communications between or among a party and such party’s lawyers and advisors). The parties will use commercially reasonable efforts and otherwise cooperate with each other in responding to any information requested by the FCC related to the Applications, in preparing any amendment to this Agreement requested by the FCC which does not adversely affect such party in a material manner, and in defending against any petition, informal objection, application for review, complaint, or other objection which may be filed against the FCC Application.

ARTICLE 2: SELLER REPRESENTATIONS AND WARRANTIES

Seller makes the following representations and warranties to Buyer:

2.1 Organization. Seller is duly organized, validly existing and in good standing under the laws of the State of Colorado and is qualified to do business in each jurisdiction in which the Station Assets are located. Seller has the requisite power and authority to execute, deliver and perform this Agreement and all of the other agreements and instruments to be made by Seller pursuant hereto (collectively, the “**Seller Ancillary Agreements**”) and to consummate the transactions contemplated hereby.

2.2 Authorization. The execution, delivery and performance of this Agreement and the Seller Ancillary Agreements by Seller have been duly authorized and approved by all necessary action of Seller and do not require any further authorization or consent of Seller. This Agreement is, and each Seller Ancillary Agreement when made by Seller and the other parties thereto will be, a legal, valid and binding agreement of Seller enforceable in accordance with its terms, except in each case as such enforceability may be limited by bankruptcy, moratorium, insolvency, reorganization or other similar laws affecting or limiting the enforcement of creditors’ rights generally and except as such enforceability is subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

2.3 No Conflicts. Except as set forth on **Schedule 2.3** and except for the FCC Consent and consents to assign certain of the Station Contracts, the execution, delivery and performance by Seller of this Agreement and the Seller Ancillary Agreements and the consummation by Seller of any of the transactions contemplated hereby does not conflict with any organizational documents of Seller, any contract or agreement to which Seller is a party or by which it is bound,

or any law, judgment, order, or decree to which Seller is subject, or require the consent or approval of, or a filing by Seller with, any governmental or regulatory authority or any third party.

2.4 FCC Licenses. Except as set forth on *Schedule 1.1(a)*, Seller is the holder of the FCC Licenses described on *Schedule 1.1(a)*, which are all of the licenses, permits and authorizations required for the present operation of the Stations and the FM Translator. The FCC Licenses are in full force and effect and have not been revoked, suspended, canceled, rescinded or terminated and have not expired. There is not pending or, to Seller's knowledge, threatened, any action by or before the FCC to revoke, suspend, cancel, rescind or materially adversely modify any of the FCC Licenses (other than proceedings to amend FCC rules of general applicability). There is not issued or outstanding, by or before the FCC, any order to show cause, notice of violation, notice of apparent liability, or order of forfeiture against the Stations or the FM Translator or against Seller with respect to the Stations or the FM Translator that could result in any such action. The Stations are operating in compliance in all material respects with the FCC Licenses, the Communications Act of 1934, as amended (the "*Communications Act*"), and the FCC's published rules and policies (the "*FCC Rules*"). All material reports and filings required to be filed with the FCC by Seller with respect to the Stations have been timely filed. All such reports and filings are accurate and complete in all material respects.

2.5 Taxes. Seller has, in respect of the Stations' business, filed all foreign, federal, state, county and local income, excise, property, sales, use, franchise and other tax returns and reports which are required to have been filed by it under applicable law, and has paid all taxes which have become due pursuant to such returns or pursuant to any assessments which have become payable.

2.6 Personal Property. *Schedule 1.1(b)* contains a list of material items of Tangible Personal Property included in the Station Assets. Except as set forth on *Schedule 1.1(b)*, Seller has good and marketable title to the Tangible Personal Property free and clear of Liens other than Permitted Liens. Except as set forth on *Schedule 1.1(b)*, all material items of Tangible Personal Property are in operating condition and repair, ordinary wear and tear excepted.

2.7 Real Property. *Schedule 1.1(c)* contains a description of the Real Property. Seller has good and marketable fee simple title to the Real Property described on *Schedule 1.1(c)* (the "*Real Property*") (if any), free and clear of Liens other than Permitted Liens. To Seller's knowledge, the Real Property is not subject to any suit for condemnation or other taking by any public authority.

2.8 Contracts. *Schedule 1.1(d)* contains a list of all contracts, and agreements that are used in the operation of the Stations other than contracts that when combined with any Station Contracts executed after the date of this Agreement do not exceed the limitations set forth in Section 4.1, but excluding agreements for the sale of advertising time entered into in the ordinary course of business. All Station Contracts requiring consent to assignment to Buyer prior to Closing are indicated on *Schedule 1.1(c)* and *Schedule 1.1(d)* by a plus sign (+). All Station Contracts requiring consents to assignment to Buyer that are conditions to Buyer's obligation to close ("*Required Consents*") are also indicated on *Schedule 1.1(c)* and *Schedule 1.1(d)* by an asterisk (*). Each of the Station Contracts is in effect and is binding upon Seller and, to Seller's knowledge, the other parties thereto (subject to bankruptcy, insolvency, reorganization or other similar laws relating to or affecting the enforcement of creditors' rights generally). Seller has performed its

obligations under each of the Station Contracts in all material respects, and is not in material default thereunder, and to Seller's knowledge, no other party to any of the Station Contracts is in default thereunder in any material respect.

2.9 Intangible Property. *Schedule 1.1(e)* contains a description of the material Intangible Property included in the Station Assets. Except as set forth on *Schedule 1.1(e)*, (i) to Seller's knowledge, Seller's use of the Intangible Property does not infringe upon any third party rights in any material respect, (ii) no material Intangible Property is the subject of any pending, or, to Seller's knowledge, threatened legal proceedings claiming infringement or unauthorized use, and (iii) Seller has not received any written notice that its use of any material Intangible Property is unauthorized or infringes upon the rights of any other person.

2.10 Insurance. Seller maintains insurance policies or other arrangements with respect to the Stations and the Station Assets consistent with its practices for other stations and will maintain such policies or arrangements until the Effective Time.

2.11 Compliance with Law. (i) Seller has complied in all material respects with all laws, rules and regulations, including without limitation all FCC Rules and Federal Aviation Administration rules and regulations applicable to the operation of the Stations, and all decrees and orders of any court or governmental authority which are applicable to the operation of the Stations, and (ii) to Seller's knowledge, there are no governmental claims or investigations pending or threatened against Seller in respect of the Stations except those affecting the industry generally.

2.12 Litigation. There is no action, suit or proceeding pending or, to Seller's knowledge, threatened against Seller in respect of the Stations that will subject Buyer to liability or which will affect Seller's ability to perform its obligations under this Agreement. Seller is not operating under or subject to any order, writ, injunction or decree relating to the Stations or the Station Assets of any court or governmental authority which would have a material adverse effect on the condition of the Stations or any of the Station Assets or on the ability of Seller to enter into this Agreement or consummate the transactions contemplated hereby, other than those of general applicability.

2.13 No Other Agreements to Sell the Stations; No Undisclosed Liabilities. Seller has no legal obligation, absolute or contingent, to any other person or firm to sell, assign, or transfer the Station Assets (whether through a merger, reorganization, or sale of stock or otherwise) or to enter into any agreement with respect thereto. There are no liabilities or obligations of Seller with respect to the Stations that will be binding upon Buyer after the Closing Date, other than the Assumed Liabilities.

ARTICLE 3: BUYER REPRESENTATIONS AND WARRANTIES

Buyer hereby makes the following representations and warranties to Seller:

3.1 Organization. Buyer is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, and is qualified to do business in each jurisdiction in which the Station Assets are located. Buyer has the requisite power and authority to execute, deliver and perform this Agreement and all of the other agreements and instruments to be executed and delivered by Buyer pursuant hereto (collectively, the "*Buyer Ancillary Agreements*") and to consummate the transactions contemplated hereby.

3.2 Authorization. The execution, delivery and performance of this Agreement and the Buyer Ancillary Agreements by Buyer have been duly authorized and approved by all necessary action of Buyer and do not require any further authorization or consent of Buyer. This Agreement is, and each Buyer Ancillary Agreement when made by Buyer and the other parties thereto will be, a legal, valid and binding agreement of Buyer enforceable in accordance with its terms, except in each case as such enforceability may be limited by bankruptcy, moratorium, insolvency, reorganization or other similar laws affecting or limiting the enforcement of creditors' rights generally and except as such enforceability is subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

3.3 No Conflicts. Except for the FCC Consent, the execution, delivery and performance by Buyer of this Agreement and the Buyer Ancillary Agreements and the consummation by Buyer of any of the transactions contemplated hereby does not conflict with any organizational documents of Buyer, any contract or agreement to which Buyer is a party or is by which it is bound, or any law, judgment, order or decree to which Buyer is subject, or require the consent or approval of, or a filing by Buyer with, any governmental or regulatory authority or any third party.

3.4 Litigation. There is no action, suit or proceeding pending or, to Buyer's knowledge, threatened against Buyer which questions the legality or propriety of the transactions contemplated by this Agreement or could materially adversely affect the ability of Buyer to perform its obligations hereunder.

3.5 Qualification. To Buyer's knowledge: (a) Buyer is legally, financially and otherwise qualified to be the licensee of, acquire, own and operate the Stations under the Communications Act and FCC Rules; (b) there are no facts that would, under existing law and FCC Rules, disqualify Buyer as an assignee of the FCC Licenses or as the owner and operator of the Stations; (c) no waiver of or exemption from any FCC Rule is necessary for the FCC Consent to be obtained; and (d) there are no matters which might reasonably be expected to result in the FCC's denial or delay of approval of the FCC Application.

3.6 Financing. As of the Closing Date, Buyer will have sufficient cash, available lines of credit or other sources of immediately available funds to enable it to make payment of the Purchase Price and any other amounts to be paid by it in accordance with the terms of this Agreement.

ARTICLE 4: SELLER COVENANTS

4.1 Covenants. Between the date hereof and Closing, except as permitted by this Agreement or with the prior written consent of Buyer, which shall not be unreasonably withheld, delayed or conditioned, Seller shall:

(a) operate the Stations in the ordinary course of business and in all material respects in accordance with FCC Rules and with all other applicable laws, regulations, rules and orders;

(b) not materially adversely modify, and in all material respects maintain in full force and effect, the FCC Licenses;

(c) not other than in the ordinary course of business, sell, lease or dispose of or agree to sell, lease or dispose of any of the Station Assets unless replaced with similar items of substantially equal or greater value and utility, or create, assume or permit to exist any Liens upon the Station Assets, except for Permitted Liens, and not dissolve, liquidate, merge or consolidate with any other entity;

(d) maintain the Tangible Personal Property and Intangible Property in the ordinary course of business;

(h) not hire or terminate the employment of the Stations' general manager or any other employee with annual aggregate non-equity compensation, including target bonuses, in excess of \$50,000, excluding any terminations for "cause" as reasonably determined by the Seller;

(i) not take any action that would make the consummation of this transaction contrary to the Communications Act or the FCC Rules, or require a waiver of any provisions of the Communications Act or the FCC Rules;

(j) not authorize or permit any officer, director or employee of Seller, or any investment banker, attorney, accountant or other advisor or representative retained by Seller to, solicit, initiate, encourage (including by way of furnishing information), endorse or enter into any agreement with respect to, or take any other action to facilitate, any inquiries or the making of any proposal that constitutes, or may reasonably be expected to lead to, any proposal to purchase, directly or indirectly, either Station; and

(k) maintain in full force and effect policies of liability and casualty insurance of the same type, character and coverage as the policies currently carried with respect to the business, operations, and assets of the Stations.

4.2 Employee Matters. On the Closing Date, Buyer may offer employment to certain employees of the Stations. Notwithstanding any provision hereto to the contrary, Buyer shall not

assume any portion of any employment agreement that refers to specific equity or equity-based compensation plans or opportunities provided by Seller.

4.3 Access to Information. From the date hereof to the Closing Date, Seller shall afford, and shall cause its officers, directors, employees and agents to afford, to Buyer and the officers, employees and agents of Buyer reasonable access at all reasonable times to the Stations and the employees, provided, however, that all such access shall require the express consent of Seller.

ARTICLE 5: JOINT COVENANTS

Buyer and Seller hereby covenant and agree as follows:

5.1 Control. Buyer shall not, directly or indirectly, control, supervise or direct the operation of the Stations prior to Closing. Consistent with the Communications Act and FCC Rules, control, supervision and direction of the operation of the Stations prior to Closing shall remain the responsibility of Seller as the holder of the FCC Licenses.

5.2 Risk of Loss.

(a) Seller shall bear the risk of any loss of or damage to any of the Station Assets at all times until the Effective Time, and Buyer shall bear the risk of any such loss or damage thereafter.

(b) If prior to the Effective Time any item of Tangible Personal Property is damaged or destroyed or otherwise not in the condition described in Section 2.6 in any material respect, then:

(i) Seller shall use commercially reasonable efforts to repair or replace such item in all material respects in the ordinary course of business; and

(ii) if such repair or replacement is not completed prior to Closing, the parties shall proceed to Closing (with Seller's representations and warranties deemed modified to take into account any such condition) and Seller shall promptly repair or replace such item in all material respects after Closing (and Buyer will provide Seller access and any other reasonable assistance requested by Seller with respect to such obligation), except that if such damage or destruction materially disrupts Station operations, Buyer may postpone Closing until the date five (5) business days after operations are restored in all material respects, subject to Section 10.1.

(c) If prior to Closing a Station is off the air or operating at a power level that results in a material reduction in coverage (a "***Broadcast Interruption***"), Seller shall use commercially reasonable efforts to return such Station to the air and restore prior coverage as promptly as possible in the ordinary course of business. Notwithstanding anything herein to the contrary, if prior to Closing there is a Broadcast Interruption in excess of 24 hours, Buyer may postpone Closing until the date five (5) business days after the Station returns to the air and prior coverage is restored in all material respects.

5.3 Consents.

(a) The parties shall use commercially reasonable efforts to obtain any third party consents necessary for the assignment of any Station Contract (which shall not require any payment to any third party), but no such consents or estoppel certificates are conditions to Closing except for the Required Consents.

(b) To the extent that any Station Contract may not be assigned without the consent of any third party, and such consent is not obtained prior to Closing, this Agreement and any assignment executed pursuant to this Agreement shall not constitute an assignment of such Station Contract; provided, that with respect to each such Station Contract, Seller and Buyer shall cooperate to the extent feasible in effecting a lawful and commercially reasonable arrangement pursuant to which Buyer shall receive the benefits under the Station Contract from and after Closing, and to the extent of the benefits received, Buyer shall pay and perform Seller's obligations arising under the Station Contract from and after Closing in accordance with its terms. Notwithstanding any provision herein to the contrary, Buyer shall not be obligated to close the transactions contemplated by this Agreement until Seller has obtained all Required Consents.

(x) a bill of sale conveying the other Station Assets from Seller to Buyer; and

(xi) any other instruments of conveyance, assignment and transfer that may be reasonably necessary to convey, transfer and assign the Station Assets from Seller to Buyer, free and clear of Liens, except for Permitted Liens.

8.2 Buyer Documents. At Closing, Buyer shall deliver or cause to be delivered to Seller:

(i) the Purchase Price in accordance with Section 1.5 hereof;

(ii) good standing certificate issued by the Secretary of State of Buyer's jurisdiction of formation;

(iii) certified copies of resolutions authorizing the execution, delivery and performance of this Agreement, including the consummation of the transactions contemplated hereby;

(iv) the certificate described in Section 6.1(c);

(v) an assignment and assumption of FCC authorizations assigning the FCC Licenses from Seller to Buyer;

(vi) an assignment and assumption of contracts assuming the Station Contracts;

(vii) the Sublicense Agreement;

(viii) domain name transfers assuming the Stations' domain names listed on ***Schedule 1.1(e)*** (if any) following customary procedures of the domain name administrator;

(ix) any new agreements required by ***Schedule 1.1(d)*** or otherwise required by this Agreement; and

(x) such other documents and instruments of assumption that may be necessary to assume the Assumed Obligations.

ARTICLE 9: SURVIVAL; INDEMNIFICATION

9.1 Survival. The representations and warranties in this Agreement shall survive the Closing for a period of twelve (12) months from the Closing Date whereupon they shall expire and be of no further force or effect, except that if within such twelve (12) month period the indemnified

party gives the indemnifying party written notice of a claim for breach thereof describing in reasonable detail the nature and basis of such claim, such claim shall survive until the earlier of resolution of such claim or expiration of the applicable statute of limitations. The covenants and agreements in this Agreement shall survive Closing until performed.

9.2 Indemnification.

(a) Subject to Section 9.2(c), from and after Closing, Seller shall defend, indemnify and hold harmless Buyer from and against any and all losses, costs, damages, liabilities and expenses, including reasonable attorneys' fees and expenses ("**Damages**") incurred by Buyer arising out of or resulting from:

- (i) any breach by Seller of its representations and warranties made under this Agreement; or
- (ii) any default by Seller of any covenant or agreement made under this Agreement; or
- (iii) the Retained Obligations; or
- (iv) the business or operation of the Stations before the Effective Time, except for the Assumed Obligations.

(b) Subject to Section 9.2(c), from and after Closing, Buyer shall defend, indemnify and hold harmless Seller from and against any and all Damages incurred by Seller arising out of or resulting from:

- (i) any breach by Buyer of its representations and warranties made under this Agreement; or
- (ii) any default by Buyer of any covenant or agreement made under this Agreement; or
- (iii) the Assumed Obligations; or
- (iv) the business or operation of the Stations after the Effective Time, except for the Retained Obligations.

(c) Notwithstanding the foregoing or anything else herein to the contrary, after Closing, (i) neither party will have any liability to the other under this Article until the indemnified party's aggregate Damages exceed \$10,000, after which such threshold amount shall be included, not excluded, from any calculation of Damages, and (ii) the maximum aggregate liability of the indemnifying party under this Article shall be an amount equal to 75% of the Purchase Price.

9.3 Procedures.

(a) The indemnified party shall give prompt written notice to the indemnifying party of any demand, suit, claim or assertion of liability by third parties that is subject to indemnification hereunder (a "**Claim**"), but a failure to give such notice or delaying such notice

shall not affect the indemnified party's rights or the indemnifying party's obligations except to the extent the indemnifying party's ability to remedy, contest, defend or settle with respect to such Claim is thereby prejudiced and provided that such notice is given within the time period described in Section 9.1.

(b) The indemnifying party shall have the right to undertake the defense or opposition to such Claim with counsel selected by it. In the event that the indemnifying party does not undertake such defense or opposition in a timely manner, the indemnified party may undertake the defense, opposition, compromise or settlement of such Claim with counsel selected by it at the indemnifying party's cost (subject to the right of the indemnifying party to assume defense of or opposition to such Claim at any time prior to settlement, compromise or final determination thereof).

(c) Anything herein to the contrary notwithstanding:

(i) the indemnified party shall have the right, at its own cost and expense, to participate in the defense, opposition, compromise or settlement of the Claim;

(ii) the indemnifying party shall not, without the indemnified party's written consent, settle or compromise any Claim or consent to entry of any judgment which does not include the giving by the claimant to the indemnified party of a release from all liability in respect of such Claim;

(iii) in the event that the indemnifying party undertakes defense of or opposition to any Claim, the indemnified party, by counsel or other representative of its own choosing and at its sole cost and expense, shall have the right to consult with the indemnifying party and its counsel concerning such Claim and the indemnifying party and the indemnified party and their respective counsel shall cooperate in good faith with respect to such Claim; and

(iv) neither party shall have any liability to the other under any circumstances for special, indirect, consequential, punitive or exemplary damages or lost profits or similar damages of any kind, whether or not foreseeable.

ARTICLE 10: TERMINATION AND REMEDIES

10.1 Termination. Subject to Section 10.3, this Agreement may be terminated prior to Closing as follows:

(a) by mutual written consent of Buyer and Seller;

(b) by written notice of Buyer to Seller if Seller breaches its representations or warranties or defaults in the performance of its covenants contained in this Agreement and such breach or default is material in the context of the transactions contemplated hereby and is not cured within the Cure Period (defined below); provided, that Buyer may not terminate pursuant to this Section 10.1(b) if it is then in material breach of or default under this Agreement;

(c) by written notice of Seller to Buyer if Buyer breaches its representations or warranties or defaults in the performance of its covenants contained in this Agreement and such breach or default is material in the context of the transactions contemplated hereby and is not cured

within the Cure Period; provided, that the Cure Period shall not apply to Buyer's obligations to pay the Purchase Price at Closing; provided further, that Seller may not terminate pursuant to this Section 10.1(c) if it is then in material breach of or default under this Agreement; or

(d) by written notice of Seller to Buyer or Buyer to Seller if Closing does not occur by the date nine (9) months after the date of this Agreement.

10.2 Cure Period. Each party shall give the other party prompt written notice upon learning of any breach or default by the other party under this Agreement. The term "***Cure Period***" as used herein means a period commencing on the date Buyer or Seller receives from the other written notice of breach or default hereunder and shall continue until the earlier of (i) twenty (20) calendar days thereafter or (ii) the Closing Date determined under Section 1.8; provided, that if the breach or default is non-monetary and cannot reasonably be cured within such 20-day period but can be cured before the Closing Date determined under Section 1.8, and if diligent efforts to cure promptly commence, the Cure Period shall continue as long as such diligent efforts to cure continue, but not beyond the Closing Date as determined under Section 1.10.

10.3 Survival. Except as provided by Section 10.5, the termination of this Agreement shall not relieve either party of any liability for breach or default under this Agreement prior to the date of termination.

10.4 Effect of Termination. Upon a termination of this Agreement by Seller pursuant to Section 10.1(c), Seller's sole remedy for a breach by Buyer shall be to receive from the Escrow Agent and retain the Earnest Money Deposit as liquidated damages. Seller and Buyer each acknowledge that these liquidated damages are reasonable in light of the anticipated harm that would be caused by Buyer's breach of any of its material obligations under this Agreement and the difficulty of ascertaining damages and proof of loss and that these damages are not a penalty.

10.5 Specific Performance as Remedy for Seller's Breach. Seller acknowledges and agrees that the Station Assets are unique assets not readily available on the open market, and in the event Seller shall fail to perform its obligations to consummate the transactions contemplated hereby, Seller acknowledges that money damages alone cannot adequately compensate Buyer for its injury and therefore Buyer shall be entitled to the remedy of specific performance, in addition to any other remedies it may seek at law or at equity, and Seller shall waive any and all defenses that Buyer has an adequate remedy at law. If any action is brought by Buyer to enforce this Agreement, Seller shall waive the defense that there is an adequate remedy at law, and the prevailing party in litigation shall be entitled to receive from the non-prevailing party all court costs, attorneys' fees and other out-of-pocket expenses incurred by the prevailing party in enforcing or defending its rights under this provision.

ARTICLE 11: MISCELLANEOUS

11.1 Expenses. Each party shall be solely responsible for all costs and expenses incurred by it in connection with the negotiation, preparation and performance of and compliance with the terms of this Agreement. The filing fee for the FCC Consent shall be divided equally between Buyer and Seller. All other governmental fees and charges applicable to any requests for governmental consents shall be paid by the party upon whom the applicable governmental authority imposes the fee or charge (or shall be shared equally if not imposed upon either party).

Buyer shall be solely responsible for all governmental taxes, fees and charges applicable to the transfer of the Station Assets under this Agreement. Each party is responsible for any commission, brokerage fee, advisory fee or other similar payment that arises as a result of any agreement or action of it or any party acting on its behalf in connection with this Agreement or the transactions contemplated hereby.

11.2 Further Assurances. After Closing, each party shall from time to time, at the request of and without further cost or expense to the other, execute and deliver such other instruments of conveyance and assumption and take such other actions as may reasonably be requested in order to more effectively consummate the transactions contemplated hereby.

11.3 Assignment. Neither party may assign this Agreement without the prior written consent of the other party hereto, provided, that Buyer may assign its rights hereunder to an affiliate of Buyer upon written notice to, but without consent of, Seller, provided further that (i) any such assignment does not delay processing of the FCC Application, grant of the FCC Consent or Closing, (ii) any such assignee delivers to Seller a written assumption of this Agreement, and (iii) Buyer shall remain liable for all of its obligations hereunder, and Seller may assign its rights hereunder to an affiliate of Seller. The terms of this Agreement shall bind and inure to the benefit of the parties' respective successors and any permitted assigns, and no assignment shall relieve any party of any obligation or liability under this Agreement.

11.4 Notices. Any notice pursuant to this Agreement shall be in writing and shall be deemed delivered on the date of personal delivery or confirmed facsimile transmission or confirmed delivery by a nationally-recognized overnight courier service, and shall be addressed as follows (or to such other address as any party may request by written notice):

11.5 Amendments. No amendment or waiver of compliance with any provision hereof or consent pursuant to this Agreement shall be effective unless evidenced by an instrument in writing signed by the party against whom enforcement of such amendment, waiver, or consent is sought.

11.6 Reimbursement of Legal Expenses. If a complaint or other formal legal proceeding is instituted by a party before any court of competent jurisdiction to enforce that party's rights under this Agreement, the party prevailing in the proceeding shall be reimbursed by the other party for all reasonable costs incurred thereby, including but not limited to reasonable attorneys' fees.

11.7 Waiver of Provisions. The terms, covenants, representations, warranties, and conditions of this Agreement may be waived only by a written instrument executed by the party waiving compliance. The failure of either party at any time or times to require performance of any provision of this Agreement shall not affect the exercise of a party's rights at a later date. No waiver granted in any one circumstance shall be deemed a waiver in any other instance, no matter how similar. No practice of the parties shall, by itself, be deemed a waiver of any right hereunder.

11.8 Entire Agreement. This Agreement (including the Schedules hereto) constitutes the entire agreement and understanding between the parties hereto with respect to the subject matter hereof, and supersedes all prior agreements and understandings with respect to the subject matter hereof, except any confidentiality agreement between the parties with respect to the Stations, which shall remain in full force and effect. Neither party makes any representation or warranty with respect to the transactions contemplated by this Agreement except as expressly set forth in this Agreement. Without limiting the generality of the foregoing, Seller makes no representation or warranty to Buyer with respect to any projections, budgets or other estimates of the Stations' revenues, expenses or results of operations, or, except as expressly set forth in Article 2, any other financial or other information made available to Buyer with respect to the Stations.

11.9 Severability. If any court or governmental authority of competent jurisdiction holds any provision in this Agreement invalid, illegal or unenforceable under any applicable law,

so long as neither party is deprived of the benefits of this Agreement in any material respect, this Agreement shall be construed with the invalid, illegal or unenforceable provision deleted and the validity, legality and enforceability of the remaining provisions contained herein shall not be affected or impaired thereby.

11.10 No Beneficiaries. Nothing in this Agreement expressed or implied is intended or shall be construed to give any rights to any person or entity other than the parties hereto and their successors and permitted assigns.

11.11 Governing Law. The construction and performance of this Agreement shall be governed by the laws of the State of Colorado without giving effect to the choice of law provisions thereof.

11.12 Counterparts. This Agreement may be executed in separate counterparts, each of which will be deemed an original and both of which together will constitute one and the same agreement.
