I accept these conditions with the exception that permanent translator station for WDNO-AM, facility ID 11621, Quebradillas, PR be translator station W250CF in Arecibo, Puerto Rico instead of present W256DX, Aguadilla, Puerto Rico. Translator Station W250CF is inside the 25 miles radius of primary station AM Station WDNO (see attached map).

This swap of translators fit perfectly since Aurio A. Matos Barreto is the licensee of Primary Station WDNO-AM, W250CF and W256DX translator stations. This application seeks to chain W250CF like the permanent translator station of WDNO-AM and transfer the license of W256DX to Aurio A. Matos Barreto personal ownership.

The main coverage area of WDNO-AM and it's sponsors and audience become from north area of Camuy, Hatillo and Arecibo where W250CF have 60dbu and 54dbu coverage and not W256DX actual permanent translator of WDNO. I request a swap of translators licenses.
