

WAIVER REQUEST

I respectfully request a waiver for FCC Revitalization of the AM Radio Service to allow the swap of the translator licenses W250CF, Arecibo, Puerto Rico and W256DX, Aguadilla, Puerto Rico where W250CF become to be the primary and permanent translator station of WDNO-AM instead of present W256DX.

W256DX is transferred to same owner of WDNO and W250CF that's why we call it a Swap of licenses.
