

## Compliance with Section 73.3555(a) of the FCC's Rules

KSTH is not located in a Nielsen-rated radio market and the facilities requested in the instant application would not generate a principal community contour that overlaps the principal community contour of any station in which its licensee, Armada Media- McCook, Inc., or any shareholder or officer thereof holds an attributable interest. KSTH would continue to be a stand-alone FM station, and ownership of a single stand-alone station is permissible under Section 73.3555(a) of the FCC's rules.
