

## Amendment

The Licensee's response to the following renewal certification is amended to change its "N/A" response to "Yes":

### **Non-Discriminatory Advertising Sales Agreements**

1. \* Commercial licensee certifies that its advertising sales agreements do not discriminate on the basis of race or ethnicity and that all such agreements held by the licensee contain non-discrimination clauses. Noncommercial licensees should select "not applicable."

In addition, an explanatory exhibit has been uploaded in response to the Certification regarding whether Station K27FI-D rebroadcasts the signal of another television station. (An identical explanatory exhibit was included in the application, as originally filed, but was attached in response to the Rebroadcast Consent Certification.)
