

**KZJJ (FM), Mesa, Washington**  
**Assignor Assignment Questions**  
**Auction Authorization**

**Assignor: Xana HD Solutions, LLC**

Assignor acquired the construction permit for KZJJ (FM) via Auction #109 with an initial CP grant date of 11/30/2021 (See FCC File No.: BNPH-20190201AAR). The CP was acquired with a 25% new entrant bidding credit.

Assignor is aware that Assignee is the licensee of only two full power station facilities thus would otherwise qualify for the same new entrant bidding credit. Therefore no unjust enrichment penalty is implicated.
