

To: Low Country 34 Media, LLC

Gray Television Licensee, LLC, is the licensee of low power television station WJEA-LD, Augusta, GA (Facility ID 185526), and holder of a recently granted construction permit to modify that license (LMS File No. 0000189899) (the “WJEA-LD CP”).

It is my understanding that Lowcountry 34 Media, LLC, permittee of W16EL-D, Augusta, GA (Facility ID 185710) proposes to modify that construction permit in such a way that is predicted to result in 2.69% interference to the WJEA-LD licensed facility. The W16EL-LD proposal, however, is not predicted to cause any interference at all to the WJEA-LD CP facilities, once constructed. Therefore, to the extent any actual interference may be caused by the proposed W16EL-LD facilities to the existing WJEA-LD facilities before the WJEA-LD CP is constructed and licensed, Gray hereby affirmatively accepts this predicted interference.

Sincerely,

Robert J. Folliard, III
Senior Vice President, Government Relations &
Distribution
