

FEE ALREADY PAID IN PREVIOUS DISMISSED APPLICATION FOR  
W238CR and W250CF

Juan Carlos Matos Barreto applicant and preparer of application wrongfully fill the pro forma application instead of non pro forma one. With this new transfer of license application, I choose the correct one allowing the FCC the normal processing and subsequent grant of the application.

I respectfully request before FCC that filing fee paid on Application File Number 0000190785 for transfer of license of W238CR be applied to this new one and the same request for the filing fee of W250CF Application File Number 0000190786.
