

**Explanation of K20HB Adherence to Minimum Operating Schedule Certification**

K20HB went silent on June 6, 2021, in accordance with the July 13, 2021, deadline for LPTV stations and TV translators to cease analog operations.<sup>1</sup> On May 14, 2021, Licensee filed a request to extend the facility's digital flash cut construction permit due to unexpected delays in receiving the digital transmitter from the manufacturer. The request was granted on May 21, 2021 (see LMS file number 0000145528).

On November 29, 2021, KUSM-TV's license renewal application was filed. Subsequently, on December 14, 2021, K20HB's digital facility began broadcasting and the license to cover was granted by public notice on February 8, 2022.
