

Reduced Power Operation Special Temporary Authorization
NCE Station KWSU(AM), Pullman, Washington (Facility ID 71025)

Pursuant to Section 73.1560(d) of the FCC's Rules, Washington State University, licensee of noncommercial educational radio Station KWSU(AM), Pullman, Washington, notifies the FCC of the temporary reduced power operation of KWSU(AM).

Station KWSU(AM) has been operating at approximately 1.23% of authorized power levels (61.72 watts) since May 10, 2022 due to transmitter equipment problems. The station is presently working on obtaining replacement parts to restore full power operation. In the event that full power operation cannot be restored with thirty (30) days, Washington State University will apply separately for Special Temporary Authority.

Washington State University is a public institution of higher education and a governmental entity. *See* REV. CODE WASH. § 28B.10.016. Furthermore, Washington State University operates KWSU(AM) on a noncommercial educational basis. The licensee and station are therefore exempt from FCC fee requirements pursuant to Sections 1.1116 and 1.1162 of the Commission's Rules.
