

Further Amendment of 0000178378
KEHD – 98.3 mHz - 100 KW – 90.2 M AGL
Big Lake, TX
May 2022

This application is another amendment to previously filed 0000178378. The applicant, Juan Carlos Matos Barreto, seeks to retain Big Lake, TX as the city of license and to remain on Channel 252 C1.

An error was identified in the Community Coverage Map of the pending application. This map has been redrawn. It is necessary to use Longley-Rice propagation to cover the city of license. The appropriate demonstrations are now included.

No other changes are being made to the pending application.
