Re: Notice of Resumption of Broadcast Operations (Silent since May 27, 2021)
K272FR (FM), McCall, ID; Facility ID No. 156831

Dear Media Bureau:

This letter is to provide notification that Boise Community Radio Project, Inc. (BCRP), licensee of Station K272FR (FM) (Facility 156831) resumed full-time broadcast operations on May 24, 2022.

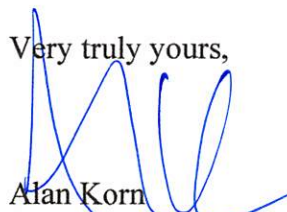

K272FR(FM) discontinued full-time broadcast operations on May 27, 2021 when the broadcast station with which it had an agreement declined to make itself available for rebroadcast. A review of the Commission's records suggests that a request for Special Temporary Authority to remain silent was not previously submitted by BCRP.

Please feel free to contact the undersigned if you have any questions concerning the above.

Very truly yours,

Alan Korn
