Children's Television Programming Reports

The Licensee submits this exhibit to provide additional information relevant to KIFI-TV's Children's Television Programming Reports filed during the license term.

The Licensee inadvertently omitted two programs aired on the primary program stream from the Reports for Fourth Quarter 2014 through Fourth Quarter 2015. In addition to the programs included in these Reports, Outback Adventures and Born to Explore were aired on the primary program stream during Fourth Quarter 2014 through Third Quarter 2015, and Rock the Park and Born to Explore were aired on the primary program stream during Fourth Quarter 2015. The station aired an average of three (3) hours of core programming each week on the primary program stream during each of these quarters, as required.
