

Consent Decree Compliance

Pursuant to Paragraph 21 of the Consent Decree (“Consent Decree”), dated March 7, 2022, by and between Lowcountry 34 Media, LLC (“Lowcountry”) and the FCC’s Media Bureau (DA 22-232, Acct. No. 202241420002, FRN 0027121466), Lowcountry hereby provides the following information pertinent to this instant minor modification application for low power television station W35DZ-D, Algood, TN (Facility ID No. 187450) (“W35DZ-D”):

1. **Purpose of the Application.** Lowcountry respectfully requests to modify W35DZ-D’s construction permit in consultation with the proposed Assignee of the station, Public Media Venture Group (“PMVG”). *See* LMS File No. 0000185702. On March 2, 2022, Lowcountry filed a minor modification to move the transmitter site to ASR 1047124, which is 7.4 km from W35DZ-D’s original construction permit, which was granted on March 8, 2022. LMS File No. 0000185702. In a March 25, 2022 amendment to the application to assign W35DZ-D from Lowcountry to PMVG, PMVG explained that it “anticipates seeking to modify the construction permit to specify a different antenna and modify the proposed antenna height to use existing transmission line.” LMS File No. 0000184951. The instant application seeks to implement those plans. W35DZ-D will remain at ASR 1047124, but at a lower height and power and using a different antenna than initially proposed. This modification is in the public interest because it will allow W35DZ-D to expeditiously resume service using certain existing resources.
2. **Granted Minor Modification Applications.** W35DZ-D has been granted the following minor modification applications during the past 12 months:
 - LMS File No. 0000150399 – granted June 21, 2021
 - LMS File No. 0000150944 – granted June 25, 2021
 - LMS File No. 0000151136 – granted June 29, 2021
 - LMS File No. 0000157621 – granted August 20, 2021
 - LMS File No. 0000185702 – granted March 8, 2022
3. **Rural Filing Window.** W35DZ-D was originally authorized as part of the 2009 Rural LPTV Filing Window.
4. **Certification.** Attached hereto is a certification, signed under the penalty of perjury by Lowcountry’s Manager, Jeffrey Winemiller, demonstrating that Lowcountry intends to construct and operate a permanent facility for W35DZ-D in a manner that is consistent with the Communications Laws (as that term is defined in the Consent Decree).
