Re: Construction Permit Expiration  
DKGHK-LD, Hastings, NE  
Facility ID 188559  
LMS File No. 0000139634

Dear Former Permittee:

This is with respect to the above captioned expired construction permit. On July 16, 2021, your request for extension of the construction permit was dismissed due to insufficient information.<sup>1</sup> In the dismissal letter you were instructed to file an application for license to cover within 10 days. Commission records indicate that you failed to file an application for license to cover as instructed.<sup>2</sup> Section 74.788(b) of the Commission's rules states that:

Any construction permit for which construction has not been completed and for which an application for license or extension of time has not been filed, shall be automatically forfeited upon expiration without any further affirmative cancellation by the Commission.<sup>3</sup>

As such, the construction permit was automatically forfeited.

Accordingly, pursuant to sections 74.788(b) of the Commission's rules, the construction permit for the station referenced above was **AUTOMATICALLY FORFEITED** and the call sign has been **DELETED**.<sup>4</sup> All authority to construct the stations have been **TERMINATED**. All pending applications will also be **DISMISSED**.

Sincerely,

/s/

Mark Colombo  
Associate Chief, Video Division  
Media Bureau
