

**JUSTIFICATION FOR ENGINEERING STA
K30OI-D CH. 30 CAMP VERDE, AZ**

The Applicant seeks temporary authority to continue operation of K30OI-D at variance from its licensed parameters for the interim period necessary to complete construction of K30OI-D's permanent Channel 30 facility as authorized in FCC File 0000152241. This interim facility entails using a different antenna located on another structure at the same communications site.
