III. RECRUITMENT INITIATIVES

	TYPE OF RECRUITMENT INITIATIVE (MENU SELECTION)	BRIEF DESCRIPTION OF ACTIVITY
1	Establishment of internship program designed to assist members of the community to acquire skills needed for broadcast employment	Townsquare Media hosted an internship program for five students. We partnered with a variety of schools, including Rider University, Rowan, Clemson University, University of Rhode Island, Montclair, Rutgers University, William Patterson, Cabrini College and Marist. Each student received school credits for their participation in the program. Students were exposed to and involved in daily business activities, including marketing, programming, news, digital and sales.
2	Participation in other activities designed to further the goal of disseminating information about broadcast employment opportunities to job candidates who might otherwise be unaware of such opportunities	Since its inception in 1984, the WOBM Christmas Classic has awarded academic scholarships to participants in the 32-team Boys and Girls Basketball Tournament. Each school is eligible to submit the final high school transcript of their highest-ranked graduated senior who must be enrolled as a full-time college freshman. A retired high school guidance counselor then selects four boys and four girls to each receive \$500 to help with their college costs. The presentations are usually made at halftime on the championship games, but this year's tournament had to be cancelled due to the Covid-19 pandemic. However, despite that and with the help of Community Medical Center, the presentations were made in an outdoor ceremony at the hospital with the recipients and their parents on hand on 1/11/2021. With the most recent awards, the WOBM Christmas Classic has now given out \$95,000 in scholarships to deserving students who shine in the classroom and on the court.
