1.2. Assumption of Obligations. On the Closing Date (as hereinafter defined), EMF shall assume the obligations of iHM with respect to the iHM Translator Assets arising during, or attributable to, any period of time on or after the Closing Date (the “Assumed Obligations of iHM”) and iHM shall assume the obligations of EMF with respect to the EMF Translator Assets arising during, or attributable to, any period of time on or after the Closing Date (the “Assumed Obligations of EMF,” and together with the Assumed Obligations of iHM, the “Assumed Obligations”). <sup>1</sup> As set forth on License BLFT-20150702ABA, subject to 4-year holding period ending July 2, 2019 (4 years from the date of operation rebroadcasting WNDE(AM)).

<sup>2</sup> In regard to Section 2.2(a)(i), note that iHM contended in an Informal Objection that the operation of a proposed new FM translator by Tyler Media L.L.C. on Channel 227, at Tulsa, Oklahoma, Facility ID No. 203072, would cause interference to the reception of K228BR by its regular listeners. Tyler Media L.L.C. amended its construction permit application to reduce the proposed FM translator's service area, *see* FCC File No. BNPFT-20180508AAP. On December 12, 2018, the Media Bureau dismissed iHM's Informal Objection "as moot since the proposed translator was amended on 6/22/2018 and no longer violates the FCC Rules." It is possible that once the Channel 227 facility is constructed, its operation could cause interference to the receipt of the K228BR signal by its regular listeners, at which time the programmer of K228BR would seek to obtain the documentation necessary for an interference complaint to be prosecuted at the FCC by the licensee of K228BR.
