

### **Purpose of Amendment**

Applicant, Diya TV, Inc. (“Diya”), hereby amends the pending license application (LMS File No. 0000193309) for low-power television station (“LPTV”) KMMC-LD, San Francisco, California (Facility ID No. 30977) (“KMMC-LD”) to remove the auto-filled information provided in the Parties to the Application section of the application. This information is being removed because: (1) it provides an inaccurate description of Diya’s attributable interest holders; and (2) the information is not required for LPTV license applications.

No other changes to the application are being made herein.
