

### **Online Public Inspection File**

The requisite materials were timely provided in the KSVI(TV)<sup>1</sup> online public inspection file with the following exceptions:

1. 3Q 2014 Commercial Limits Certification due on October 10, 2014.
2. 4Q 2014 Commercial Limits Certification due on January 10, 2015.
3. 1Q 2017 Commercial Limits Certification due on April 10, 2017.
4. 3Q 2017 Commercial Limits Certification due on October 10, 2017.

As part of its diligence and review of its online public inspection file, KSVI discovered instances where certain of the political advertising requests and/or orders were not uploaded within one business day. KSVI has re-emphasized the need to upload all relevant political material as soon as possible (i.e., no less than one business day from the request being made), which has included retraining all staff and making sure the need to receive and upload all relevant documentation is communicated to the affected advertising parties.
