

**KQCK, Cheyenne, Wyoming (Fac. Id. 18287)**  
**Minor Mod Application**  
**Multiple Ownership Compliance**

This question seeks an exhibit that is specific to radio stations, not full power television stations. Nevertheless, the expanded coverage in the proposed modification of the licensee's sole commercial full power television station in the Cheyenne-Scottsbluff DMA fully complies with the television ownership restrictions in 47 CFR §73.3555.
