

# Displacement

W29ER-D, Glasgow, KY, has a construction permit to operate on channel 29. This application was made 08/29/2009, before the 2016 wireless spectrum auction 1001. During the spectrum auction, WKGB-TV, Bowling Green, KY was assigned channel 29.

W29ER-D would receive 98.14% interference from WKGB. WKGB-TV has expressed their wish for W29ER-D to not go on-the-air , therefore, W29ER-D is requesting displacement to nearby Channel 26.
