

### **Multiple Ownership Compliance**

The instant application and a concurrently filed application seek consent to the assignment of the FCC licenses for WHIZ-DT, Zanesville, Ohio (FCC Facility ID 61216), WHIZ(AM), Zanesville, Ohio (FCC Facility ID 61218); 272EE, Zanesville, Ohio (FCC Facility ID 201025); WHIZ-FM, South Zanesville, Ohio (FCC Facility ID 11126); and WZVL-FM, Philo, Ohio (FCC Facility ID 183304) to Marquee Broadcasting Ohio, Inc. (“Marquee”) pursuant to the Asset Purchase Agreement attached hereto.

WHIZ-DT is licensed to Zanesville, Ohio, which is located within the Zanesville, Ohio DMA; no parties to this application hold any attributable interests within the Zanesville DMA. Accordingly, Marquee’s proposed ownership of WHIZ-DT complies with the multiple ownership rules.

WHIZ-FM, WHIZ(AM), and WZVL-FM are all located outside the boundaries of any BIA-rated metro market; accordingly compliance with the radio multiple ownership rules must be determined using the interim contour overlap methodology. In any size market, a combination of one AM and two FM stations is permissible provided the combination does not represent more than 50% of the full-power stations in such market. As shown in the attached map, the combined market created by the overlap of the principal community contours of WHIZ-FM, WHIZ(AM), and WZVL-FM is overlapped by the principal community contours of well in excess of three additional full-power stations. Accordingly, the proposed combination complies with the FCC’s multiple ownership rules.
