

## **Multiple Ownership Supplement**

As stated in the original multiple ownership exhibit filed on May 18, 2022, in assignment application 0000190944, there are multiple other broadcast stations licensed to the communities of KKBI and KQIB, the two stations that are proposed to be acquired in the pending transaction. Being licensed to the same city of license as the stations being acquired, these stations must have principal city contour overlap with KKBI and KQIB. These other broadcast stations licensed in the non-BIA market of Broken Bow and Idabel, Oklahoma are:

KBWW(FM), Broken Bow, OK, FAC: 177112, licensee is Golden Baptist Church;  
KIBE(FM), Broken Bow, OK, FAC: 190410, licensee is Eastern Oklahoma State College  
KBEL-FM, Idabel, OK, FAC: 14758 and KBEL(AM), Idabel, OK, FAC: 14759, licensee is KBEL Communications, LLC; and  
KXRT(FM), Idabel, OK, FAC: 93247, licensee is American Family Association.

In any market, an entity can have attributable interests in two FM stations if those stations do not comprise more than 50% of the full-power stations in the market. See, Section 73.3555(a)(iv). As there are at least 5 other stations in which the proposed assignee has no interest licensed to the market created by the principal community contours of KKBI and KQIB, and the proposed assignee is acquiring only two (less than 50% of the stations in the market), this acquisition complies with Section 73.3555.
