

Rebroadcast Status/Consent Exhibit

The Rebroadcast Status and Consent Questions in the license renewal application for K13AAX-D, Redding, California (Facility ID No. 183127) (“K13AAX-D”), have both been answered “N/A” because K13AAX-D does not rebroadcast the signal of a full power television, Class A television, or low power television station. Instead, K13AAX-D originates its own programming.
