

WMHN Online Public Inspection File

During the last license renewal period, Mars Hill Broadcasting Co., Inc. (“Licensee”), licensee of WMHN, Webster, New York (Facility ID No. 40430) (“WMHN”), did not comply with certain Online Public Inspection File (“OPIF”) requirements with respect to WMHN.

Q3 2016, Q1 – Q4 2017 Issues/Programs List. Licensee untimely uploaded its legacy Quarter 1 – Quarter 4 2017 issues/programs lists to WMHN’s OPIF. Additionally, Licensee timely uploaded its legacy issues/programs list for Quarter 3 2016 prior to the March 1, 2018 transition deadline to WMHN’s online file. However, during a current review of the uploaded lists, it was discovered that Licensee mistakenly uploaded data for Quarter 3 2017 for its Quarter 3 2016 upload. The Quarter 3 2016 list has now been amended to include data from 2016 and has been uploaded to WMHN’s OPIF.

Section 73.3613 Contracts/Documents List. Licensee mistakenly did not upload its contracts and documents required by Section 73.3613 of the Commission’s rules to WMHN’s OPIF. These documents have been uploaded to WMHN’s OPIF.

Updated Donor List. Licensee was missing an updated donor list for 2021, which has now been uploaded to WMHN’s OPIF.
