

Publicizing Children's Reports

The Licensee has certified in the affirmative to the question asking whether, for the period of time covered by this application, prior to January 21, 2020, it has publicized the existence and location of the station's Children's Television Programming Reports as required by the Commission's rules. Due to a misunderstanding of the certification question on the Reports filed through First Quarter 2019, personnel incorrectly answered "No" to this certification question on the quarterly filings. The answer in each case should have been, "Yes." The Licensee hereby certifies that KCOY-TV did, in fact, publicize the existence and location of its Children's Television Programming Reports at all relevant times.
