LICENSE RENEWAL APPLICATION

Public Inspection File

The station uploaded the Annual DTV Ancillary/Supplementary Services Report (Form 317) for 2016 late on February 1, 2017. Also, the 2021 Annual Children's Television Programming Report was filed one day late due to a miscalculation of the due date.

It is the station's policy and practice to upload new and revised orders to its political file as soon as possible once an order or change has been accepted and processed. In connection with the preparation of this renewal application, the station identified six invoices containing final reconciliation information for orders placed in March 2020 that had not been uploaded due to the disruption caused by the sudden pandemic-induced shift to remote work. Those invoices have now been uploaded.
