

**Purpose of Application and Changes in Interests Exhibit**

Cincinnati Public Radio (“CPR”), licensee of non-commercial educational radio stations WGUC and WVXU, is a non-profit corporation governed by a Board of Directors (the “Board”). The Board currently consists of 25 members, each of whom has one vote. The Board is self-perpetuating, with new Members elected by vote of the existing members. The purpose of this application is to request consent to the transfer of control of CPR to the current Board, as listed on page 2 of this Exhibit.

As is typical of non-profit, non-commercial educational licensees, the composition of the Board has gradually changed over the years. The attached table demonstrates that the changes in the composition of the Board have occurred gradually since the Commission last granted an application approving a previous Board, and the present. Accordingly, use of Form 2100-Schedule 316 is appropriate for this application.

No written agreements exist documenting the changes listed herein, as they occurred through the ordinary process of attrition and appointment of new Board members. All Board members are U.S. citizens. Addresses and positional interests for current Board members are provided on page 2 of this Exhibit.
