

Silent Periods during license term:

The station was purchased August 2014.

The station went silent pursuant to STA (0000041161) on 1/31/2018 due to a transmitter failure. The STA was extended by 0000058632 due to displacement in the spectrum auction and the mutually exclusive displacement application. The station resumed operations on 1/30/2019 (0000067537).

The station went silent on 2/7/2019 (0000067903) while its channel sharing facility was implemented. Licensee (and, separately, its sharing partner) sought and received 312(g) relief in January 2020 (0000079920), July 2020 (0000117662), January, 2021 (0000131337) and July 2021 (0000152919) and September 2021 (0000160774). A minor modification of its sharing CP was granted in July 2021 (0000152964). The station's license to cover was ultimately filed in early October 2021.
