**Public File**

In preparing its license renewal filing, the Station conducted an audit of its online public file. It determined that the EEO Report for 2019 was uploaded on 1/29/2020.

The Station is committed to uploading political file material as soon as possible consistent with Commission guidance. In reviewing the political file material uploaded over the past two-years, the Station determined that certain orders were not uploaded within one business day. The licensee provided training for staff responsible for uploading political file material to the online file in March 2020 to reinforce the importance of uploading all political material promptly.
