

Consent Decree Compliance

Pursuant to Paragraph 21 of the Consent Decree (“Consent Decree”), dated March 7, 2022, by and between Lowcountry 34 Media, LLC (“Lowcountry”) and the FCC’s Media Bureau (DA 22-232, Acct. No. 202241420002, FRN 0027121466), Lowcountry hereby provides the following information pertinent to this instant minor modification application for low power television station K19MZ-D, Arriba, Colorado (Facility ID No. 186847) (“K19MZ-D”):

1. **Purpose of Application.** Lowcountry is filing the instant application for K19MZ-D to specify a different transmitting location, increased antenna height, decreased ERP, and use of a different directional antenna pattern. Lowcountry is filing this application at the request of Gray Television Licensee, LLC (“Gray”), the proposed assignee of K19MZ-D, to ensure that K19MZ-D resumes on air operations as quickly as possible following the closing of that transaction. *See* LMS File No. 0000177508. A complete description of Gray’s purpose for having Lowcountry file the instant application is provided in the Engineering Statement attached hereto. Grant of the instant minor modification application would also enable K19MZ-D to resume operations by its August 27, 2022 expiration date for its silent Special Temporary Authority. *See* LMS File No. 0000159449.
2. **Granted Minor Modification Applications.** K19MZ-D has been granted the following minor modification application during the last 12 months: LMS File No. 0000157441 (granted Aug. 18, 2021).¹
3. **Rural Filing Window.** K19MZ-D was originally authorized as part of the 2009 Rural LPTV Filing Window.
4. **Certification.** Attached hereto is a certification, signed under the penalty of perjury by Lowcountry’s Manager, Jeffrey Winemiller, demonstrating that Lowcountry intends to construct and operate a permanent facility for K19MZ-D in a manner that is consistent with the Communications Laws (as that term is defined in the Consent Decree).

¹ K19MZ-D’s subsequent minor modification application, LMS File No. 0000159533 (filed Sept. 17, 2021), was withdrawn on March 3, 2022.
