

## **Exhibit**

### **Online Public Inspection File Certification**

Redwood Television Partners LLC (“CMG”), licensee of the station that is the subject of the instant application (the “Station”), hereby certifies that except as described herein, the Station has timely placed in its online public inspection file all documents required to be placed in the file by 47 C.F.R. § 73.3526 and otherwise has complied with the Commission’s public inspection file requirements in all material respects.

The Station was assigned from the former licensee, Pollack/Belz Broadcasting Company, LLC (“Pollack/Belz”) to the current licensee, Redwood Television Partners LLC, in 2017 (FCC File Number BALCDT-20170822AAS). In addition, on December 17, 2019, the license for the Station was transferred to the current owner, CMG Media Corporation (f/k/a Terrier Media Buyer, Inc.) dba Cox Media Group (“CMG”), pursuant to a long form transfer of control application.<sup>1</sup> CMG notes that because of the long form ownership changes, the current owners are not liable for the violations of the prior licensee and prior owners. However, out of an abundance of caution, CMG discloses that the prior licensee and prior owners failed to timely upload the following materials to the Station’s online public file:

- Commercial limits certifications for the third and fourth quarter 2015, the second through fourth quarters 2016, and the first quarter 2018
- EEO public file report for 2016
- Issues/programs lists for third quarter 2015; second through fourth quarters 2016; and first quarter 2018

The late uploads that occurred before May 2017 were reflected in a Notice of Apparent Liability for Forfeiture that was directed to Pollack/Belz (*see* the exhibit on FCC Violations that is part of this license renewal application).

CMG requires its stations to comply with all FCC rules, including the rules for the political public file, and CMG believes the Station has complied with the political public file requirements. Nevertheless, in the event that documents are uploaded to the political public file outside of CMG’s requirement that all documents be uploaded within one business day, CMG will continue to work with its stations to ensure that all political public file materials are uploaded in a timely manner.
