

WORD OF GOD FELLOWSHIP, INC.
Application for License Renewal

EXHIBIT RE: SILENT STATUS

Station KFVD-LD, Porterville, California was silent between July 13, 2021 (the date on which low power television stations were required to cease operating in an analog format) and May 25, 2022, the date on which Station KFVD-LD commenced operating in a digital format.

Station KFVD-LD has been on the air continuously since May 25, 2022, providing informative programming to viewers in Porterville, California and the surrounding areas in a digital format. Prior to July 13, 2021, Station KFVD-LP was on the air continuously over the preceding license term, providing informative programming to viewers in Porterville, California and the surrounding areas in an analog format.

Accordingly, because: (a) KFVD was off the air only for a short period over the preceding eight-year license term, and such silent status was due exclusively to KFVD's adherence to the Commission's rules requiring the cessation of analog broadcasting; and (b) during the entire period that KFVD has been on the air, it has provided excellent programming to viewers in its community of license and surrounding areas, grant of this license renewal application would be in the public interest.
