

K51LK-D
Exhibit Regarding Being Silent

K51LK-D went silent June 1, 2022 due to needing to file a new displacement app. Construction has begun to move to a new channel and is planned to be complete by September 2022. A new displacement permit was granted June 10, 2022.

Previously K51LK-D was silent from February 14, 2018 until November 5, 2018 due to displacement due to the repacking of the UHF TV band.
