2021 Children's Television Programming Report

KTNL went silent as of October 31, 2020, with FCC authorization. Accordingly, no programming (including programming for children 12 years old and younger) was aired from that date through September 15, 2021.

The Children's Television Programming Report concerning programming for the final weeks of third quarter 2021 and fourth quarter 2021 should have been filed as an annual report in January 2022. The report was inadvertently omitted due to confusion associated with personnel changes when control of KTNL was recently transferred. The report was submitted as soon as it was discovered missing.
