

SECOND AMENDMENT PURPOSE STATEMENT

The purpose of this second amendment to the pending assignment application is to provide, at Commission staff's request, copies of the following:

1. A BIA report for the Washington, DC metro market. The BIA report confirms that there are 66 full-power, commercial and noncommercial radio stations in the market. Pursuant to Section 73.3555(a) of the Commission's rules, in a radio market with 45 or more full-power, commercial and noncommercial radio stations, one individual or entity may own up to 8 commercial radio stations in total, with up to 5 commercial stations in the same service (AM or FM). Accordingly, the proposed assignee, who currently does not own any broadcast radio stations in the market, may acquire 2 commercial AM stations in the market.
2. The WURA(AM) 2016 Time Brokerage Agreement. A copy of this agreement is currently in the station's online public file.
