

### **Purpose of Application**

Pursuant to Commission staff request, Delmarva Educational Association, licensee of FM translator W223CT, Norfolk, Virginia (Facility ID No. 156388) (“W223CT”), is hereby filing this license modification application for W223CT to reduce W223CT’s Effective Radiated Power (ERP) to 210 kW to comply with the FM translator fill-in requirements under the Commission’s rules. *See* 47 C.F.R. § 74.1232(d). As previously indicated, W223CT serves as a fill-in translator by rebroadcasting AM broadcast station WKQA, Norfolk, Virginia (Facility ID No. 29597). *See* LMS File No. 0000193355.
