Call sign use Permission

You forwarded this message on 8/12/2022 3:24 PM.

To whom it may concern,

My name is David W. Max and I am the President of the Board of "Our Evolution Radio" in Hot Springs, Montana. "Our Evolution Radio" is the licensee for Facility Number 197308 (Channel 27.9-101.9FM) under the call letters **KIHK-LP**.

Township Media has requested the use of the **KIHK** call letters for their AM station (KFTI-AM licensed to Austin, Texas) and their FM station (KTHE-FM licensed to Llano, Texas).

As it is my understanding that by giving permission to Township for the use of **KIHK**, nothing will change in regard to Our Evolution Radio's ability to continue to use **KIHK-LP** as our call letters. If that is true and since we are in different geographic areas of the country and not competitors, and in keeping positive goodwill among local broadcasters with similar community radio missions, we thereby grant permission to Township Media for the use of the call letters **KIHK** for their AM and FM station.

Thank you,

David Max
President
