

Reason for Special Temporary Authority

V.I. Christian Ministries, Inc. (“Licensee”) respectfully requests Special Temporary Authority for WMNS-LD (the “Station”) to remain silent. The Station went off the air on August 9, 2022, because of a power surge that caused equipment failures. Licensee is ordering new equipment, and the Station must remain silent until the equipment has been received and installed. Licensee anticipates that the station will be off the air for longer than 30 days but will notify the Commission expeditiously of any changes.
