

Replies to Legal Certification Questions:

**Agreements for Sale/Transfer of Station**

“Assignor Certifies that: (I) It has placed in Assignor’s public inspection file ...”

W267CM is an FM Translator station. FM Translator stations do not maintain a public inspection file, therefore copies of agreements cannot be filed therein.

Required documents are attached to this application.

**Local Public Notice**

FM Translators are not subject to local public notice rules, therefore this question is not applicable.

**Parties to the Application**

FM Translators are not subject to multiple ownership rules, therefore this question is not applicable.

**Parties to the Application Certification**

FM Translators are not subject to multiple ownership rules, therefore this question is not applicable.
