

Purpose of Amendment

This Amendment is submitted at the request of the FCC staff to supply Exhibit A to the time brokerage agreement. (See attached.)

APPENDIX A

1. Broker shall pay Licensee \$4500/mo. for the right to program the time on the Stations. This amount is to cover (i) the right to program the time on the Stations and (ii) all of Licensee's actual expenses in the operation of the Stations under this Agreement, including, but not limited to: (i) rents, utilities, maintenance costs relating to the Stations' tower and transmitter site facilities; (ii) operating expenses, including telephone, sale or delivery and postal service expenses relating to the Stations; (iii) income, gross receipts, sales, personal property, excise or any other taxes of any nature whatsoever pertaining to the Stations' transmitter facilities (other than those related to the production and broadcast of Licensee Programming);and (iv) regulatory fees.
2. Proration. Payments due under this Agreement shall be prorated for partial months.
