	<b>Type of Recruitment Initiative (Menu Selection)</b>	<b>Brief Description of Activity</b>
<b>1</b>	Internship	This is a non-paid internship program open to college students who will earn college credit for their participation in our program. Our internship is offered in the Fall and Summer. The program is designed for students interested in gaining exposure and experience to the broadcasting industry. We offer interns the ability to work in all of the station's departments so they can get hands on experience in all facets of running a broadcast television station. For this reporting period, this station sponsored one student.
<b>2</b>	Management Training	On March 2, 2021 management attended a training webinar sponsored by the California Association of Broadcasters on the FCC's Equal Employment Opportunity rules.
